Amy and Jayne, you can look here for the proper citation in the California code of regulations riparian buffers in the OR CZARA pesticides section.

5. As far as the California citation is concerned, I'm not sure how to short hand it in a way that is consistent with the WA, OR and ID citations. The reference should lead to, as far as I can tell...

CALIFORNIA FOREST PRACTICE RULES  
Title 14, California Code of Regulations, Chapter 4  
SUBCHAPTERS 4, 5 & 6 FOREST DISTRICT RULES  
Article 6 Water Course and Lake Protection
